Recognition at Indian Institute of Technology Indore	This program is primarily designed for final-year Bachelor's and Master's students, PhD candidates, and faculty members. It focuses on academic exchange through research internships, practical training, or thesis-related research. Participants will receive official confirmation of their internship or practical training, along with a Certificate of Completion issued by e.g., the Institute of Anatomy and Cell Biology, JMU Würzburg, verifying their participation and successful completion of the program. This certificate serves as formal documentation of research experience in relevant laboratories and, for PhD candidates and faculty, as a record of continued professional development, subject to the regulations of their home institution.
