

Der Drache, der nicht fliegt

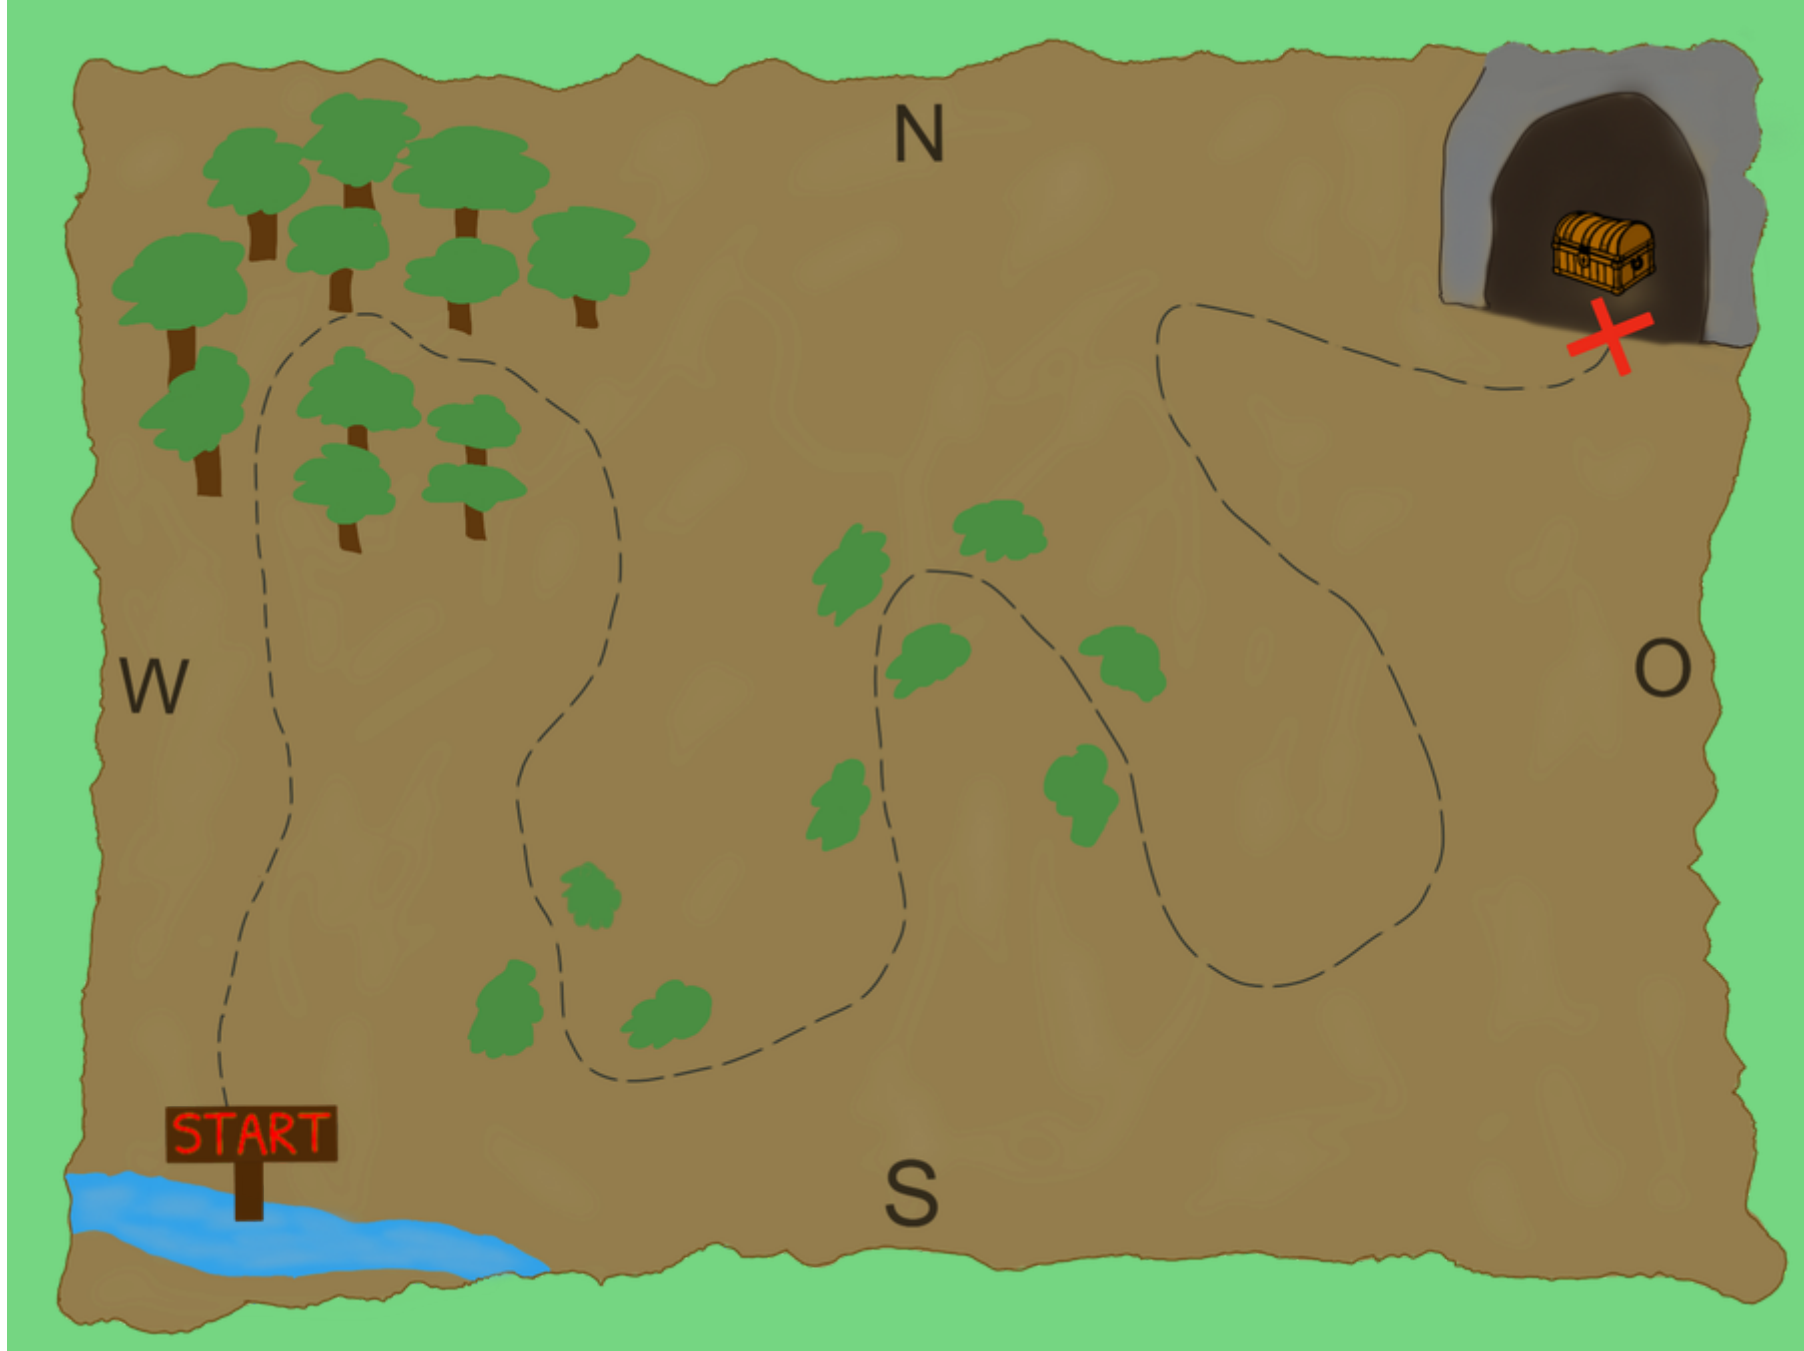

Drache

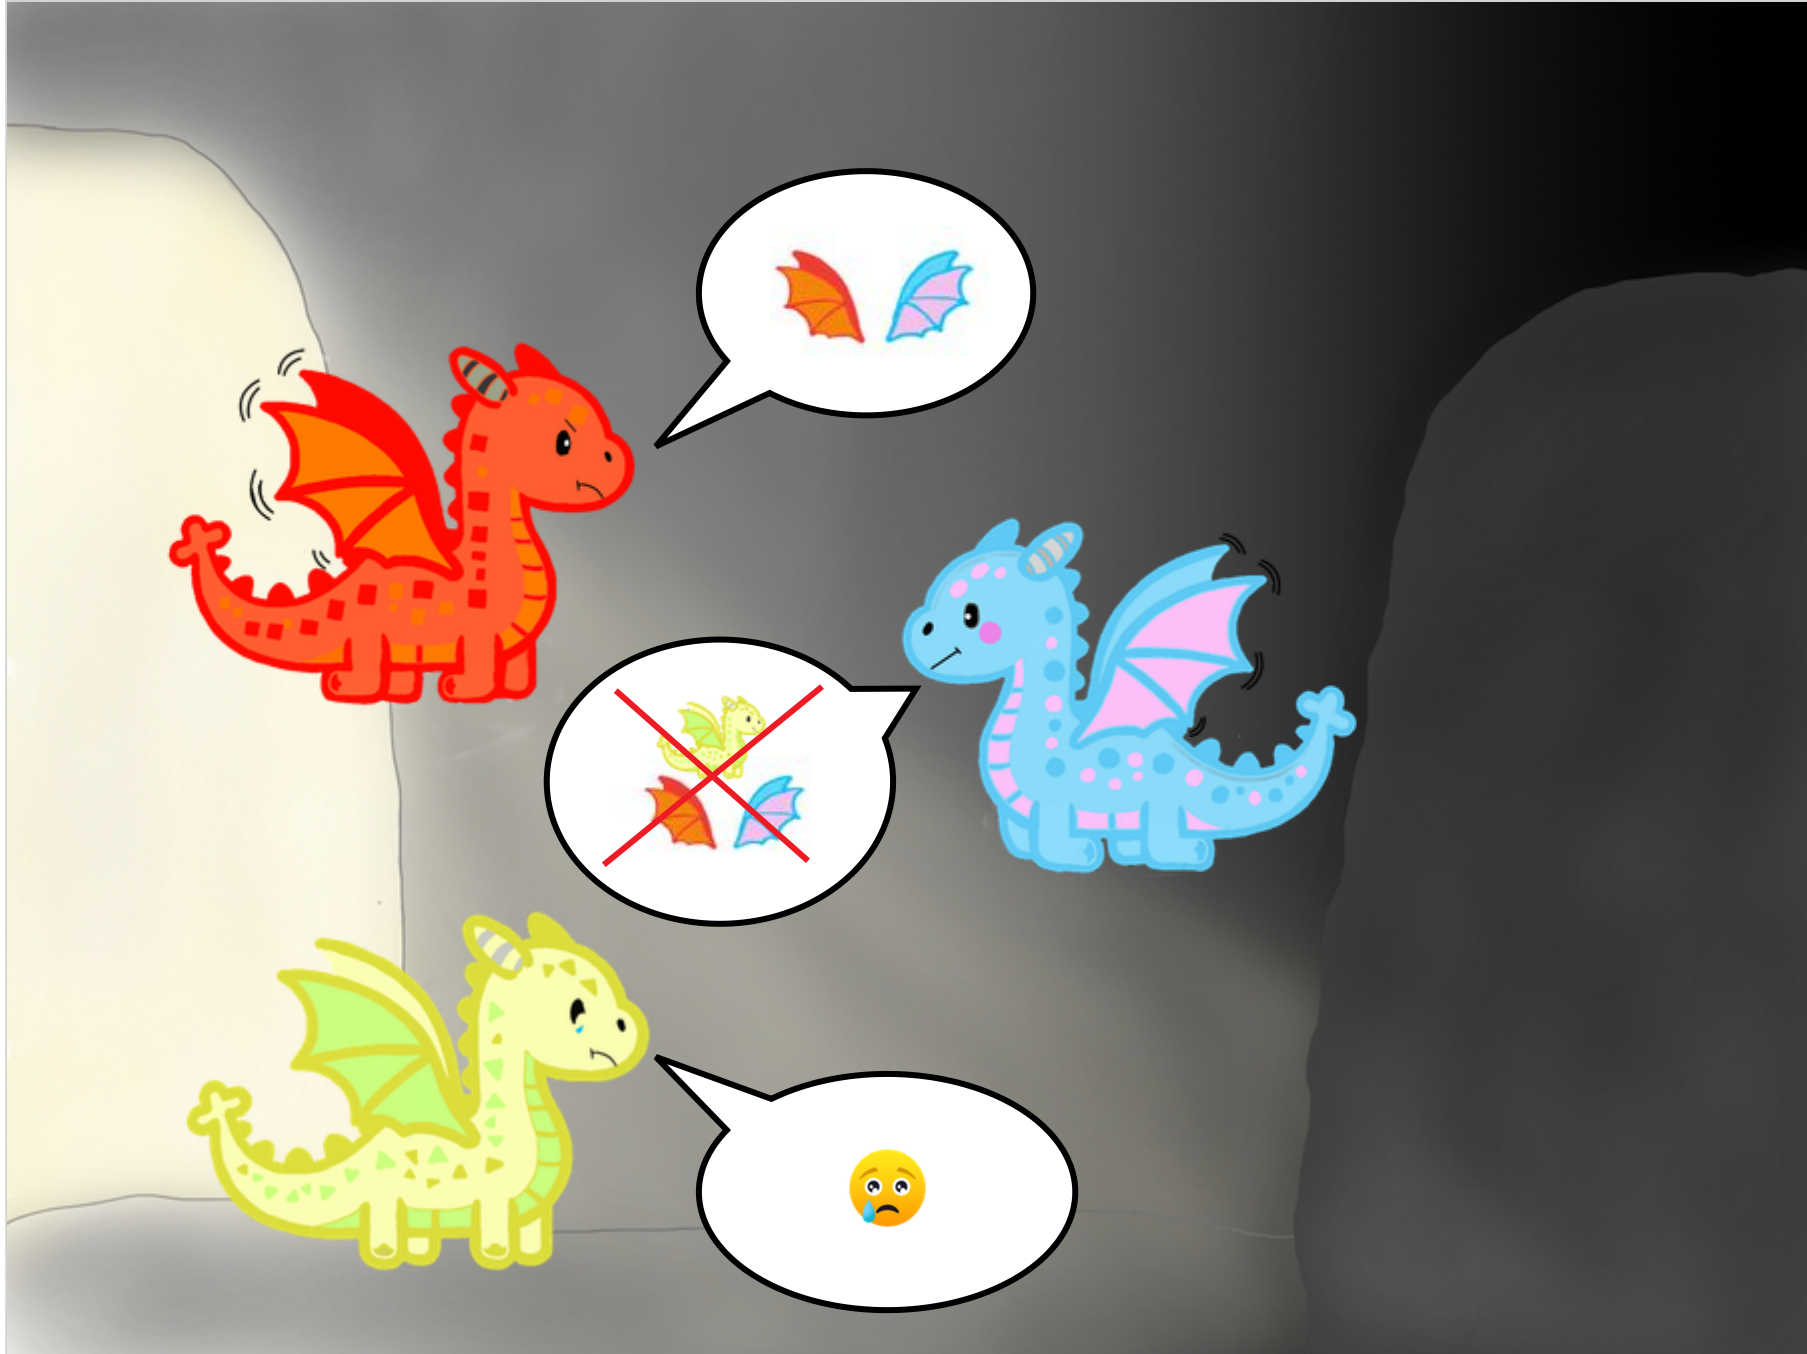

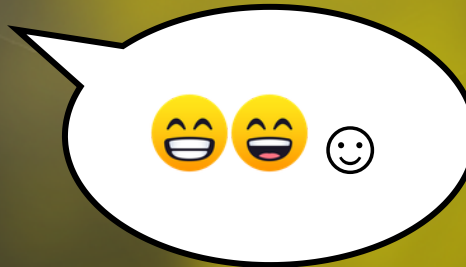

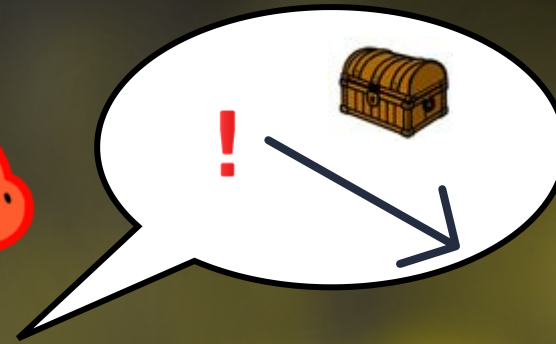

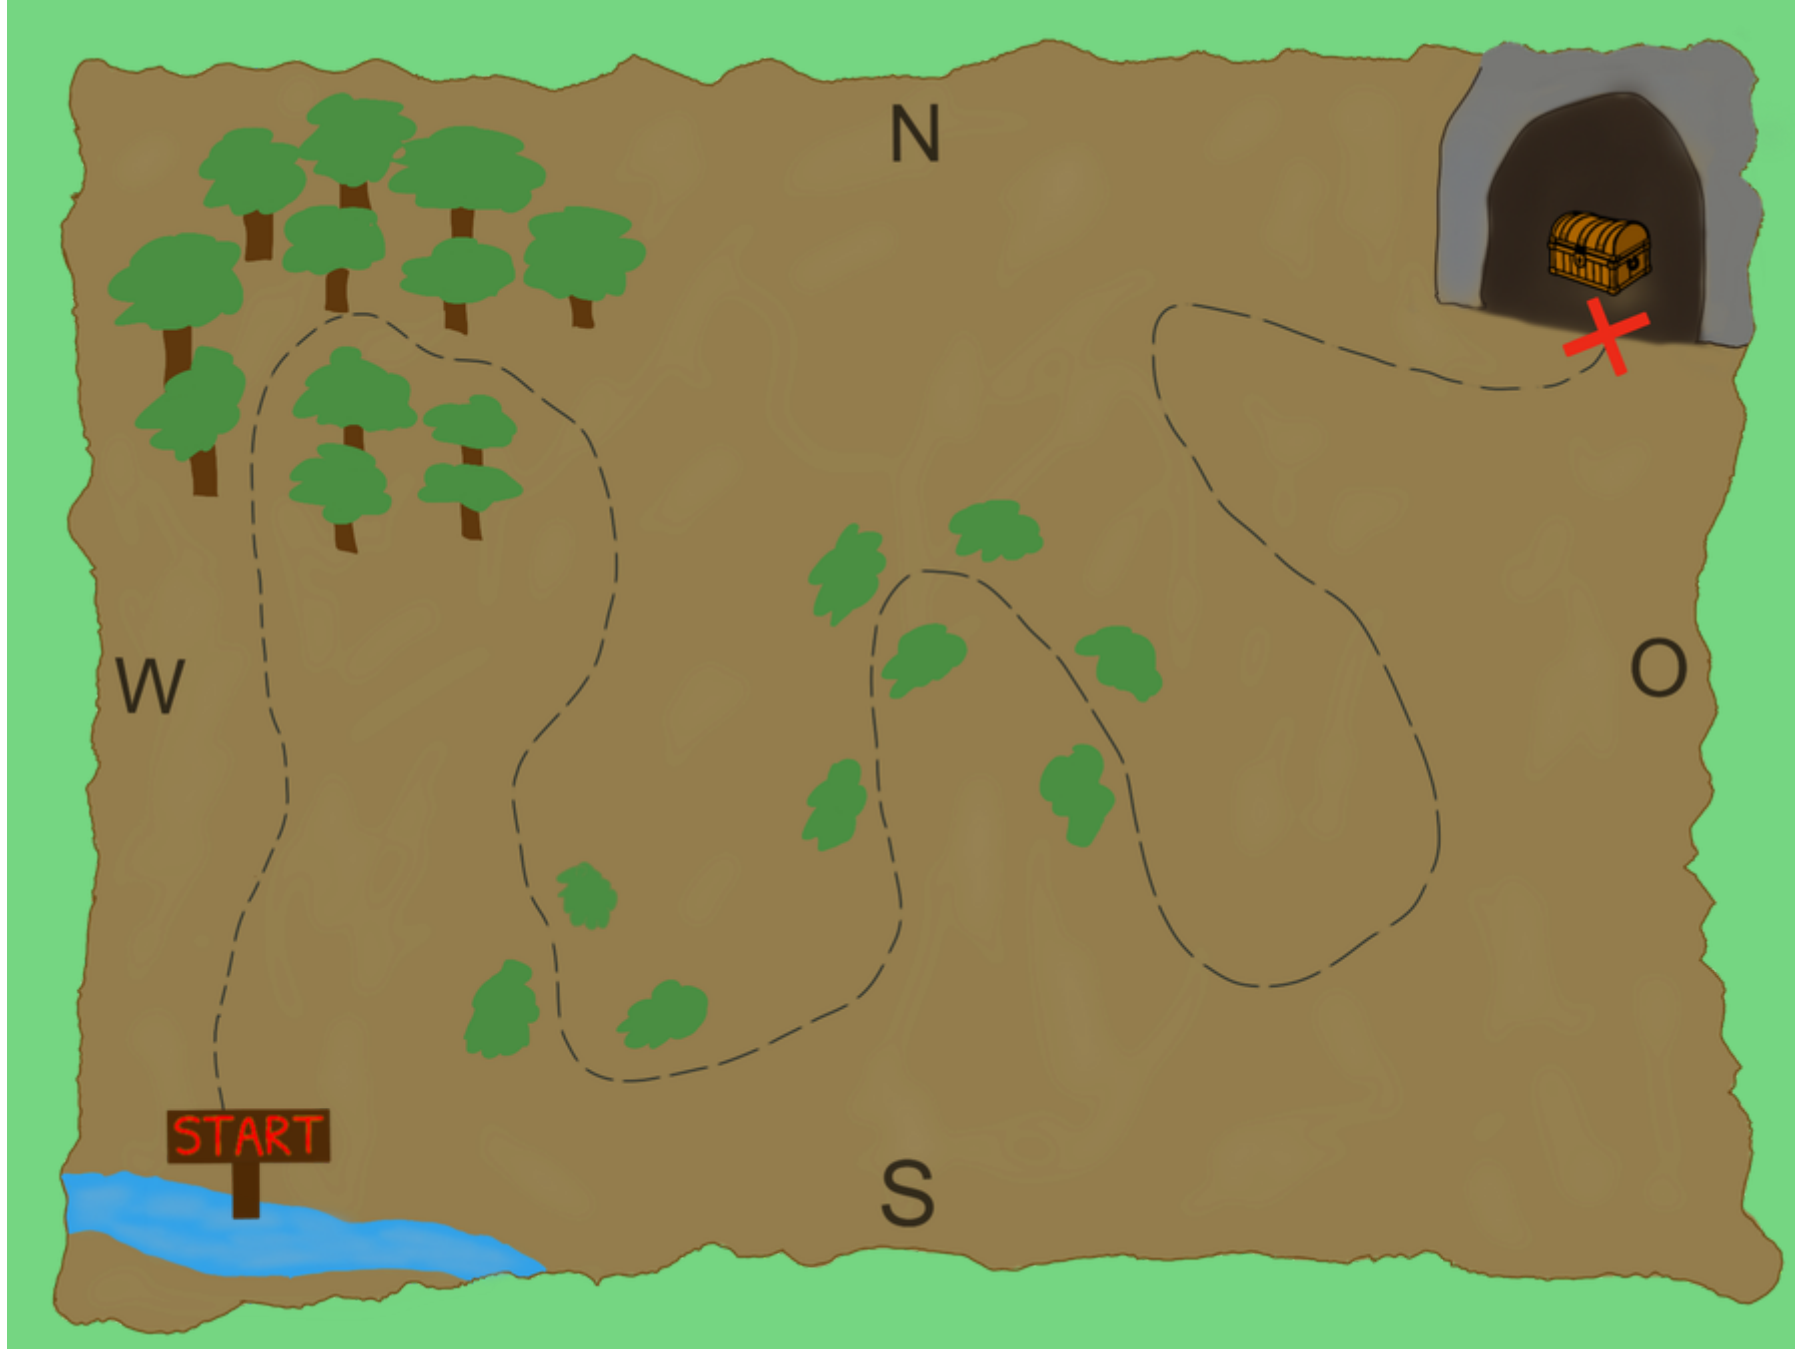

Was ist das?

Das ist eine
Schatz-Karte!

Wir können
fliegen!

Nein, Lampi kann
nicht fliegen!

Oh man...

Wir helfen Lampi.

The scene is set in a cave with grey rock walls and a dark floor. On the left, a bright yellow light source illuminates the area. Three cartoon dragons are present: a red one with orange wings and a white tuft on its tail, a blue one with pink wings and pink spots, and a yellow one with green wings and green spots. They are all facing each other in a conversation. The red dragon is at the top left, the blue one is at the top right, and the yellow one is at the bottom left. Each dragon has a speech bubble. The red dragon's bubble says 'Na gut.', the blue dragon's bubble says 'Wir helfen Lampi.', and the yellow dragon's bubble says 'Danke!'.

Na gut.

Danke!

Lampi, was ist los?

Es ist so dunkel!
